

DEPARTMENT OF ENVIRONMENTAL MANAGEMENT
INDIANAPOLIS

OFFICE MEMORANDUM

Date: March 31, 2008

To: Water Pollution Control Board Members

From: Lawrence Wu
Rules Development Section, Chief

Subject: Water Pollution Control Board Meeting

After consultation with the Chair, the April 9, 2008 Board meeting is being cancelled to allow a fuller agenda at the May 14, 2008 meeting.

Looking forward, the following are tentatively scheduled for the next few WPCB meetings:

1. May 14, 2008.
 - a. Presentation on CSO Wet Weather Limited Use Subcategory rulemakings (IC 13-14-9-14).
 - b. Presentation of NPD-Water-019 – Supplemental Environmental Project Policy.
2. June 11, 2008. Public Hearing (IC13-14-9-14) on the Indianapolis CSO Wet Weather Limited Use Subcategory rulemaking.

For your information, the CSO Wet Weather Limited Use Subcategory rulemakings must include a 30-day comment period prior to presentation to the Board. Therefore, to have the Indianapolis CSO Wet Weather Limited Use Subcategory rulemaking on the June WPCB agenda, IDEM will need to submit the Notice of Adoption to the Legislative Services Agency (LSA) for posting in the Indiana Register (IR) prior to the May WPCB meeting. This has been discussed with Chairman Powdrill.

The May 14, 2008 WPCB meeting will begin at 1:30 p.m. E.D.T., at:

Indiana Government Center South
Conference Center Room 32
Indianapolis, Indiana

As a reminder, information concerning WPCB meetings can be found at the IDEM web site: www.IN.gov/idem/rules
